## RED CROSS AUXILIARY

TUESDAY CLUB TO BE ACTIVE IN  
WAR RELIEF AND RECREATION WORK

For the purpose of organizing a war relief and recreation department of the Tuesday Afternoon Club of Glendale, in accordance with the spirit of the times, a "get-together and explanation" party numbering sixteen ladies of the club met at the home of Mrs. Daniel Campbell, North Glendale, Thursday afternoon, September 13th, at two o'clock.

After invoking divine guidance and blessing, Mrs. Campbell as chairman briefly outlined the scope and purpose of the work about to be entered upon and proceeded to appoint officers and sub-chairmen as follows: Secretary, Mrs. Harry Lee Howe; treasurer, Mrs. Andrew Findley; sewing, Mrs. C. O. Pulliam; knitting, Mrs. Geo. Mitchell; first aid class, Mrs. R. W. Meeker; food values, Miss Eula Richardson; purchasing, Mrs. R. A. Peterson; correspondence and cheer, Mrs. Harry Duffield; recreation (tennis), Mrs. Chas. Temple, Miss M. Pulliam, assistant; physical culture, Miss Alice Frank, Mrs. Howe, assistant; refreshment, Mmes. V. P. Brown, C. W. Kimberley, Chas. Temple, C. O. Pulliam, J. G. Hunchberger; transportation, Mmes. R. A. Peterson, C. W. Kimberley, R. W. Meeker. Other committees will be added as plans become perfected.

At the request of the chairman, Mrs. Mabel Franklin Ocker gave an interesting talk on the work of the Glendale Chapter of the Red Cross, of which she is secretary, and suggested the advisability of the war relief and recreation department of the Tuesday Afternoon Club becoming an auxiliary of the local Red Cross chapter, placing all finished work in the hands of that organization for shipment and distribution, thus preventing a duplication of labor and expense. It is probable that the committee will accede to this suggestion and that the new department will be known as the Tuesday Afternoon Club Auxiliary of the Glendale Chapter of the Red Cross.

Members will enter upon the work of the department October 16th at the home of the chairman, Mrs. Daniel Campbell, Ard-Reven, North Glendale, and regularly thereafter on the first and third Thursdays of each month between the hours of ten a. m. and three-thirty p. m.

The work of organization being completed, those present were served with tea and other light refreshments and a social half-hour was indulged in before bidding adieu to the gracious hostess.

## COMPLIMENT MRS. MORRELL

Mrs. R. J. Morrell of Los Angeles, who is leaving for an extended visit in the East is the complimented guest at a charming afternoon tea given in her honor by Mrs. Chas. H. Temple at her home, 301 Orange street, on Saturday afternoon. The guests of the afternoon are among those who welcomed Mrs. Morrell when she came to Glendale as the bride of Mrs. Temple's brother, Mr. R. G. Morrell, six years ago, and this delightful affair gave them opportunity to send her away with the same warm greeting with which they met her.

The pleasant home was prettily decorated with many colored asters. After an afternoon spent in exchange of greetings and reminiscences, tea was served, Mrs. J. E. Morrell and Miss Nan M. Edwards pouring at the dainty tea table.

The guests invited were Miss Nan M. Edwards, Miss Amy Morrell and Mrs. Morrell's mother, Mrs. Stauffer, all of Los Angeles, Mrs. H. C. Wright and Mrs. J. E. Morrell, Redondo Beach, Mrs. Daniel Campbell, Mrs. V. Price Brown, Mrs. H. H. Faries, Mrs. Menzo Williams, Mrs. Harry W. Peterson, Mrs. E. Elmer Evans, Mrs. H. E. Bartlett, Mrs. Claude O. Pulliam, Miss Emma Pulliam, Mrs. John A. Legge and Mrs. Howard Martin.

## DANCING PARTY

Mr. and Mrs. J. G. Lyon will be the hosts, Saturday evening, at a dancing party to be given at their home, 1459 Riverdale drive. Pink carnations and greenery will be used to decorate the spacious rooms which lend themselves so delightfully to an entertainment of this kind.

The guests are friends from both Glendale and Los Angeles. Those invited are Mr. and Mrs. Swartz, Mr. and Mrs. Russell, Mr. and Mrs. Fordham, Messrs. Nimick, Taylor and Beach, Misses Du Bois, Moot and Deats, all of Los Angeles, Miss Augusta Otto, Miss Hazel Tyler, Mrs. E. Crockett and Mr. and Mrs. E. Bryant, Miss Isabel Lyon, Miss Daphne Burlingham, Miss Erma Patterson and James Lyon of Glendale.

## COMMUNITY SINGING

CHOIR OF FIRST METHODIST  
CHURCH TO HAVE CHARGE  
OF CONCERT TO-NIGHT

The third of the series of Saturday night concerts will be given this evening on the city band stand, corner of Broadway and Louise. It will be under the management of the popular choir of the First Methodist Episcopal Church of Glendale. The pastor, Rev. B. D. Snudden, will make a short speech on "Co-operation under the Flag." All over this land, and in foreign lands where our flower flag flies, American patriots are honoring that flag by celebrating the 103d anniversary of the birth of our national song, "The Star-Spangled Banner." It was written by Francis Scott Key in the dawn of September 14, 1814, and the thrilling words of that song describe the inspiring situation which gave it birth.

Who thought that the little-known flag so named by a then unknown poet would within so short a time become the unconquered banner of the most powerful nation on earth and the acknowledged champion of world-wide democracy.

### EXEMPTION BOARD

Mr. F. D. Lanterman of La Canada, one of the efficient and courteous members of the Exemption Board of the 7th District of Los Angeles county, was at the Glendale Chamber of Commerce from 2 to 5 for the further convenience of Glendale citizens, quite a number of whom were glad to consult him. Not only the drafted men themselves, but their relatives have many questions to ask, and it is a very kindly thing for Mr. Lanterman to volunteer such special service. He says he will be there every Friday from 2 to 5 and make occasional visits between times.

### DEATH OF D. C. RICE

Darius Carr Rice, 107 North Jackson street, passed away at 12:50 p. m. Friday, September 14, 1917, after an illness of several months. Mr. Rice was widely known in Glendale, having resided here for nearly six years. He was an expert designer of interior finishing in both wood and metal and had decorated many public buildings throughout the United States. His recent work in Los Angeles had been on the new J. W. Robinson, Ville de Paris and Coulter's buildings.

Mr. Rice was a Baptist by faith and was prepared and willing to answer the call of his Master and go to that land where there is no sorrow nor suffering.

The deceased is mourned by his wife and daughter, Mrs. D. B. Pin-gree of 107 North Jackson street, also brothers and sisters in Michigan, where he was born April 25, 1856.

Funeral services will be held Monday, September 17, at 2 p. m. at the parlors of the Scovern-Letton-Frey Undertaking company in Tropic. Rev. Vernon H. Cowser officiating. Interment in Forest Lawn cemetery.

### FAREWELL PARTY

Mr. and Mrs. S. J. Spaulding, of 121 West Park avenue, were the hosts at a farewell party given in honor of their daughter, Miss Louisiana Spaulding, prior to her departure for Tulare, Cal., where she has a position as supervisor of music in the Tulare schools. Miss Spaulding is a most accomplished musician and people of Tulare are to be congratulated on securing the services of so talented a musician. Miss Spaulding's "Iowa" song has been sung at a number of Iowa gatherings.

Five hundred was the diversion offered by the hosts, Mrs. Perce H. Curtis making the highest score. Music, vocal and instrumental, was also part of the very pleasant evening enjoyed by the guests. A two-course supper was served during the evening. The guests were Mr. and Mrs. W. E. Roake and Miss Sybil Roake of Tropic, Mr. and Mrs. Perce H. Curtis of Glendale, Mr. and Mrs. J. A. Howsley and Mrs. Willets of Los Angeles, Mrs. J. H. Malin, Douglas Malin and Dr. and Mrs. William Malin, of Hollywood. Miss Spaulding left Friday night for Tulare.

## SUBMARINES OFF ATLANTIC COAST

WIRELESS CALLS FROM VESSELS NEAR NANTUCKET INDICATE PRESENCE OF U-BOATS NEAR

(Special Service to Glendale Evening News)

AN ATLANTIC PORT, September 15.—The naval authorities have received the report that a ship after reaching an Atlantic port reported that it had received wireless S. O. S. calls from a vessel giving its position as 65 miles off Nantucket light ship. A British freighter also reported that she had picked up a wireless message asserting that a submarine had attacked a merchant steamer less than 100 miles off Nantucket. Unconfirmed reports reaching another port indicate that there is still another ship off the Atlantic coast which said a German U-boat had attacked her. A steamer (name withheld) reported she intercepted a wireless from a ship near Nantucket saying a submarine had been sighted and was about to give her position when the call suddenly ceased.

## CONGRESS STRUGGLES WITH REVENUE BILLS

BOTH HOUSES TO-DAY CONSIDERING METHODS OF RAISING BILLIONS FOR WAR USES AS DEMANDS INCREASE

(Special Service to Glendale Evening News)

WASHINGTON, September 15.—Pressed on all sides for more and more revenue, both houses to-day are struggling with bills involving billions. Representative Fitzgerald's announcement that an additional \$2,000,000,000 must be raised, was followed by Secretary McAdoo's demand for an increase of \$84,000,000 in the revenue bill now in conference. Under the rules this added sum does not come by increased levies on profits and incomes, but must come by the restoration of some House provision stricken out in the Senate. It will probably be derived by taxing club dues, amusements, chewing gum, jewelry and an increased tax on automobiles and motorcycles.

## GEN. KORNILOFF IS PRISONER

RUSSIAN PEOPLE ARE DEMANDING THE DEATH OF FORMER ARMY HEAD BECAUSE HE BETRAYED THEM

(Special Service to Glendale Evening News)

PETROGRAD, September 15.—Gen. Korniloff and his personal accomplices have been arrested, the government was informed this afternoon. Because he misjudged the Russian people, they are demanding that he die. The provisional government faces the anger of the people against the former generalissimo. Public suspicion is arising that he abandoned Riga to the enemy purposely and therefore betrayed Russia to her foes. Formal government investigation of Korniloff's activity now on may dissipate the accumulating charges against him and make possible the infliction of something less than the death penalty.

## MEXICO TO TAKE NO ACTION

REGARDS REVELATION OF UNITED STATES IN GERMAN-SWEDISH INTRIGUE "OF NO OFFICIAL INTEREST"

(Special Service to Glendale Evening News)

MEXICO CITY, September 15.—Mexico will take no action in the Eckhardt-Gronholm German intrigue affair unless the United States makes further disclosures directly affecting the Mexican government. Mexico regards the revelation as "not of official interest."

(Special Service to Glendale Evening News)

GOLDBORO, N. C., September 15.—Destructive floods swept over the eastern part of North Carolina last night. Cotton crops were destroyed and bridges washed away. Railway traffic was halted. Goldboro is under 6 feet of water.

## INVESTIGATE REPORTS OF SUBMARINE

## CALL FOR BANK STATEMENTS

COMPTROLLER OF CURRENCY CALLS FOR REPORT OF BUSINESS SEPTEMBER 11

## HAPPENINGS IN STATE

STATE FAIR CLOSES MOST SUCCESSFUL SESSION AT  
SACRAMENTO

SACRAMENTO, Cal., Sept. 15.—The annual California State Fair which opened Saturday, September 8, came to a close to-day. The management announced it had proved one of the most successful in history. The closing day crowds approached the record-breaking point, while the attendance on every day of the fair was exceptionally heavy. Throughout the week special emphasis was laid on food conservation and similar movements growing out of war-time conditions and the demonstrations, lectures and exhibits touching on these subjects drew attendance far beyond expectations.

BERKELEY, Cal., Sept. 15.—The University of California football season had its opening on California field this afternoon. The Californians met the team from the United States Marine Corps. Volunteering and the draft have had their effect in cutting down the number of veterans on the Blue and Gold squad, although several men who wore "Big C's" last year were on the field to-day.

SAN FRANCISCO, Sept. 15.—Recruiting of foresters for immediate service in France was started this week by the western department of the army. In the recruiting campaign the army has the active cooperation of the Department of Agriculture Forest service. The foresters will be used in cutting the timber in French forests for the reconstruction of French railroads and other facilities and for the building of docks, warehouses and other structures for the American forces. The men will be sent to a camp in the East for preliminary training and then will proceed to France as a part of ten battalions which will be recruited as soon as possible. All are to be volunteers and applicants must be white, between the ages of 18 and 40 years. Skilled lumberjacks, portable mill operators, tie cutters, logging teamsters, camp cooks, millwrights and charcoal burners are among the men wanted.

CAMP LEWIS, American Lake, Wash., Sept. 15.—Major Henry Breckinridge, former assistant secretary of war, is one of the battalion commanders here. He left the war department because of a disagreement with former Secretary of War Garrison over preparedness. "My uniform is my answer to whether I believe in this war," he said to-day.

MODESTO, Cal., Sept. 15.—Stanislaus county is doing her bit to increase the nation's food supply. The report of Horticultural Commissioner Rutherford shows bumper crops with a decided increase in acreages of beans, corn and beets with the melon acreage showing the only decrease. Among other things the county has produced: Alfalfa 472,000 tons; almonds 2,021 tons; beets, 25,720 tons; beans 25,992 acres; hay, grain 50,000 tons; potatoes, 1,015 tons; cantaloupes, 44,090 tons; sweet potatoes 11,974 tons; rice 1350 tons.

SAN JOSE, Cal., Sept. 15.—The California Redwood Park to-day yielded its wealth to help Herbert Hoover in his food conservation work. It was assisted by the Semper-virens Club. Bright and early to-day the club members left for the park to harvest the 1500 acres of huckleberries within its bounds. To-day and to-morrow they will do nothing but pick. Then—huckleberry pie.

### BIRTHDAY SURPRISE

Thursday being Mr. Alexander Mitchell's birthday anniversary, Mrs. Mitchell planned a delightful surprise for him. Mr. and Mrs. Mitchell were dinner guests of Mr. and Mrs. Geo. A. Mitchell, Lomita avenue, and on their return the guests, numbering about twenty-five, who had been invited by Mrs. Mitchell, had assembled and gave Mr. Mitchell the surprise of his life. A jolly evening was spent at this most hospitable home in playing 500. During the evening the guests were delighted with music by Mrs. C. D. Hillyer and Mr. Henry, both accomplished musicians. The guests invited to help Mr. Mitchell celebrate his natal day were Mr. and Mrs. F. L. Church, Mr. and Mrs. Francis Henry, Mr. and Mrs. E. B. Elias, Mr. and Mrs. Claude O. Pulliam, Mr. and Mrs. C. D. Hillyer, Mr. and Mrs. Geo. A. Mitchell, Mr. and Mrs. S. C. Leppelman, Mrs. Waldron of Salt Lake City. Mr. and Mrs. J. D. Roche and Johnnie Roche of Los Angeles.

## HIGH SCHOOL NEWS

FIRST WEEK IS SPENT IN ORGANIZING FOR WORK OF  
COMING YEAR

The first Girls' League meeting of the year was held Friday morning after the usual assembly was dismissed. The charming new president, Margaret Lusby, gave a short talk full of enthusiasm and school spirit. Martha Ray, vice-president, had a warm welcome for the new girls. Miss Eggert, faculty adviser, said that she would like nothing better than to be "auntie" to the girls. Marcella Miller, secretary, read aloud the constitution and by-laws for the benefit of the new students, while the treasurer hoped she would be kept busy managing an overflowing treasury. There are no dues in this organization: all the money is to be earned.

The League is planning to give both a lawn and a stunt party in the near future, the purpose of which is to get the new girls acquainted with the old. A jolly good time is anticipated by all.

The music department is planning to do great things this year. The orchestra already has an overflow of pupils and the result may be that two orchestras will be formed. Elizabeth Mottern ably fills the place as pianist the same as last year.

The Girls' Glee Club will be greatly changed this year as so many of the members who were in it last year were seniors and have left the school. Elizabeth Mottern is the new accompanist. There is a fine new class and Mrs. Gibson will organize the girls.

The Boys' Glee Club is larger than ever and is swinging into line at a pace hard to beat. Frank Lanterman, one of the school's most popular players, will accompany the boys.

A new departure in the line of music is the granting of credits to students for outside music study with private teachers, providing the quality and amount of practicing comes up to specified requirements.

This is a new idea to many, but it is in accord with a general movement among the most progressive high schools in the country. By this arrangement pupils may continue their outside music study as a high school study. A definite standard of work will be adhered to on account of having these credits accepted at the State University as well as to uphold the high standard of the High School.

Monday the first period will begin at 8:20 and everything will be regular once more.

### HOUDYSHEL'S RETURN

Mr. and Mrs. S. Houdyshel, who spent the past summer in Charleston, Nevada, are back at their home, 1539 Hawthorne street after a very pleasant vacation. Their son, Prof. C. E. Houdyshel, who spent his vacation at his home at LaVerne, has returned to his work in Glendale Union High School, and the daughters of the family, Misses Sadie and Sibyl Houdyshel, who spent the vacation period at San Diego, have taken up their work for the winter, Miss Sadie as a teacher at Anaheim and Miss Sibyl as a student at the Los Angeles Normal.

## CAMPAIGN AGAINST FOOD WASTE

Co-operating with Ralph P. Merritt, representative in California of Herbert Hoover, and with Governor William D. Stephens, in an effort to prevent a predicted food shortage in California during the coming winter months, the California Women's Committee of the Councils of National and State Defense is preparing to launch a new and more intensive campaign for prevention of waste throughout the state.

In its campaign to conserve food stuffs, the women war-workers will utilize every women's club and every other feminine organization in every city and county of the state. County organizations already have been perfected in all of the 58 counties of California, and through the chairman of such organizations, under whom will be mustered each local women's organization, the campaign for greater food saving will be carried into every home in the state. The state-wide campaign will be under the direction of the Councils of State and National Defense, of which Mrs. Herbert A. Cable is chairman and Mrs. Shelley Tolhurst, Miss Ethel Moore, Mrs. Robert O. Moody, Mrs. Stella B. Irvine, Mrs. Edward F. Glaser, Mrs. Seward A. Simons, Mrs. Cleaveland Forbes and Mrs. Frances M. C. Harmon are members.

The California Women's Committee is the California division of the National Women's Committee of the National Council of Defense, the latter being a body authorized by act of Congress and consisting of the Secretary of War, the Secretary of Navy, the Secretary of Interior, the Secretary of Agriculture, the Secretary of Commerce, and the Secretary of Labor. The California Women's Committee is at the present time a sub-committee of the State Council of Defense.

In order to carry on more effectually the campaign for saving of food stuffs and other projects entrusted to it by the National government, and to secure the greatest co-operation from women's organizations throughout the state, the presidents of different women's organizations have been named as members of the general committee.

This organization of the National and State Women's Committee is the method devised by the Government to use the offers of help of women, made to the President and to the Governor of each State at the outbreak of the war. All members of these organizations automatically become members of the County Committee in each county in the State and of the local unit of each city in the State. Through the State Committee, authoritative requests and information which the Government wishes to pass on to them, go to the women of the county and city units. Women not belonging to any organizations are open to membership in the county and city units, also any women's organizations, however large or small, church, school, business, fraternal, philanthropic, social, without regard to creed, purpose or color.

The question is asked, "Why was it necessary to create a woman's committee with governmental sanction, when the Red Cross, so largely concerned with woman's work, already existed with the authorization of Congress?" The main activities of the Women's Committee lie entirely outside of the functions of the Red Cross, and, therefore, there can be no overlapping or duplication of effort.

## THEODORE

Theodore Roosevelt, the world's most distinguished private citizen, has enlisted in the ranks of the newspaper men. He has joined the editorial staff of the Kansas City Star.

One need not subscribe unreservedly to the views of this impetuous and dynamic man in order to appreciate his asset-value to the nation, in peace and in war.

He appeals to the imaginations of men. In his private life there is something fundamentally wholesome and inspiring. In his long record of public service there is little to lament, much for which to offer grateful thanks. In his irrepressible Americanism the people of loyal strain rejoice. In his every public address there sounds the call of the drum and the bugle—the urge toward a finer patriotism. He is at once a physical pattern and a spiritual force.

In entering the newspaper field, Theodore Roosevelt casts his hat into the arena in which his talents for combat will find full exercise. His career is full of inspiration. He has held the highest stations of American political life, has led forlorn political hopes, accomplished more than any other man in the way of developing a spirit of national pride among Americans of all shades of political belief and in all classes of society, has won signal distinction as an explorer and faunal naturalist, established an enduring place for himself as a historian, has received degrees from the leading Universities of the world, has exerted great influence upon public opinion through his public addresses and contributions to magazines and periodicals, and has a military record of which his countrymen are proud.

He played a great part in arousing American sentiment in favor of participation in the great war, and offered to raise and organize a great volunteer army for service abroad, tendering his own services for any command in such force to which he might be assigned. The

## 10 PAYMENTS

Policy No. 2 in the Provident Life & Trust Co. of Phila., has a most remarkable history. It is a "10 Payment Life" for \$10,000, taken out in 1865 at age 29. The premium was \$459.40. The first three dividends were used to buy \$665.00 additional insurance, so that the total net cost was \$4,090.40, paid up in 1874. Since that time the Co. has returned him \$5,271.20 in cash dividends, or \$1,180.80 more than he paid in. In short, he has had \$10,665 protection for 50 years (which his estate is bound to receive before long, as he is now 81) and an average income of \$132 a year for the last 40 years.

If you don't believe this, I will prove it to you.

I grant that it seems incredible.

## ALSACE AND LORRAINE MEAT CHEAPEST BUT—

WITH THE FRENCH ARMIES, August 26 (By Mail)—The cheapest place in the world to-day to buy meat is precisely where the ordinary mortal might consider it the dearest—namely, in the German occupied portion of Alsace and Lorraine.

While meat in all other portions of Germany is selling at an average of 6 and 7 marks a pound, it is being sold, on the orders of the German government, in Alsace and Lorraine at 10 cents a pound. The inhabitants of the two provinces are allowed to have it in any reasonable quantity and the great bulk of them are now buying and eating more meat than before the war.

While the motives of the German government in this matter are quite apparent, Swiss investigators who have recently looked into the affair, and whose reports have just reached France, declare that the ultimate effects upon both the population and the meat supply of the two provinces will be disastrous in the extreme.

Under the system the German military authorities purchase from the farmers of Alsace and Lorraine all of their livestock at a very high price, giving them in payment a governmental certificate, which, up to the present time, however, none of the farmers have succeeded in cashing.

The animals are then turned over to the local butcher who must kill, sell, and account to the military authorities for every pound. His report must provide for the disposition of all the meat at two marks a pound, which is the price established for those who are wealthy enough to pay it, and which is still several marks below the prevailing price in the rest of Germany.

To the poor, however, the meat is sold for 30 pfennigs a pound, and the difference between this and the two marks is charged by the German military authorities to the municipal treasury of each locality. In some of the larger villages the municipal authorities are thus obliged to pay several thousand marks every week.

Iniquitous as this is from the standpoint of "high financing," Swiss investigators declare that it is by no means the worst aspect of the case. While the less than cost price at which the meat is being sold to the poorer people increases the consumption far above normal, the peasants and farmers, tempted by the high price which is paid them by the military authorities in certificates, are selling all of their livestock at a rate that in a few months must wipe out entirely the entire livestock of the two provinces, and completely ruin that industry.

## PROUD OF OUR LOCAL LAUNDRY

That it is possible to keep a wash room and a laundry department in a very neat and sanitary condition, is made clear to the one who visits the Glendale Laundry. To witness about 50 men and women at work in this institution in such a neat and orderly manner is a pleasing sight. The work is done in a very large, well-lighted and well-ventilated room, and by the very best people in the city of Glendale.

## OPEN-AIR SPEAKING

Open-air speaking and singing should have sufficient force and clearness to enable persons present to understand what the speaker or singer says. The definition of spoken language is the act of conveying by articulate oral sounds to a person the thoughts of the speaker. A voice that can not be heard distinctly can not convey thoughts intelligently to an audience.

J. F. Preston and Pierson Hanning have most generously responded to the call and offered to take all contributions of candy, books and magazines to the 21st on Thursday, next week. All contributions must be at the Chamber of Commerce Wednesday or before noon Thursday.

We are not asking for pie this time, only candy, books and magazines. In two weeks we will have a pie day. Mr. Pelly has already contributed 20 pounds of candy and a number of others have responded.

The evening service will be in charge of Dr. Riley, with the subject "How We Can Help Our Boys During the War."

Last Wednesday a Bible class was held at the home of Mr. and Mrs. C. R. Carmack. Dr. Pfeiffer led this service and it proved to be a wonderfully helpful hour. He talked on the Lord's Prayer; got no farther than "Our Father which art in Heaven," but it was all there; there was need of nothing more.

The all-inclusive brotherhood of man from that simple pronoun "our," the wonderfully illuminating thought of the Father, the Spirit of Truth, of Life, of Love, of God; in short, the All-Good and, finally, Heaven, that state of perfection, of happiness, of harmony, which is within, without, and everywhere; thus were those present drawn close to Our Father which art in Heaven.

Don't miss the Bible class next Wednesday at the home of Mr. and Mrs. Jno. E. Paul, 533 Orange avenue.

### DRIVE FOR AUTO CLUB MEMBERS

Directors and officials of the Automobile Club of Southern California will to-morrow launch the 15,000 membership campaign of that organization in its drive for 15,000 members by January 1st.

So vast have become the demands upon the Automobile Club for sign-posting operations, road mapping and good roads work that the Directors have decided that in order to successfully carry out proposed plans for next year it will be necessary to have 3000 more members in Southern California by the first of the year.

To this end President Baker will call into the field the full force of the organization in each of the thirteen southern counties. Every club representative and the heads of all touring bureaus will act as the centers for the district activity in the campaign for increasing the membership.

This will be the second membership increase officially called for by the President and Directors of the Club. The first was issued more than a year ago, when it was decided to increase the number of members to 10,000. This followed closely upon the decision of the Club to enter the field of national sign-posting, with a view to marking all routes which led to Southern California from eastern states.

In order to make the campaign a success, every club member is asked to secure one new member. Every member thus added will make just so much work by the club possible in the way of extending the sign-posting system and in improving that already in use.

The campaign will be pressed particularly in the agricultural districts, where the sign-posting system is of particular importance in guiding thousands of motorists every year over routes which they would not take were it not for the road being marked. Also, the city dweller, particularly in Los Angeles and San Diego, will feel the spur of the motor-campaigners to do his bit to keep up the road, the signs and the free touring information to the 50,000 visitors annually.

Only a little more than three months have been allowed for the campaign, which means about 1000 new members each month.

EUREKA, Cal., Sept. 15.—The laughter of merry dancers will give place to the tramp, tramp, tramp of marching fighters and the shouts of the floormaster to the stern commands of naval officers at the New Era Park Casino—for this is a time of war. The pavilion, scene of scores of merry parties, has been turned over to the government as barracks for 100 members of the Naval Reserve Force and in a few weeks a training school will be where before was a park. Three thousand dollars has been subscribed by Eureka citizens to fit up the barracks and already 40 men have enlisted. In a few days' time the number is expected to reach the 70 required for the opening of the school.

## OUR NATIONAL BANNER

(Air, "Star-Spangled Banner")

From center to outpost in domain so wide,

Let youth and old age join in loud-est hosanna;

While floating above us resplendent in pride,

Is freedom's bright emblem, Our National Banner.

In tranquility's hour, or when dark war clouds lower,

It expresses good will—or the strong arm of power;

Then let its bright folds be forever unfurled.

For freedom it stands, as the hope of the world.

Whence cometh the source of this wonderful power,

By diligent search all are able to find it;

It came as a boon in a critical hour,

With free men and women beneath and behind it.

The secret it holds in its glittering folds,

All nations in wonder this power behold;

Then aloft with "Old Glory," none with it compare,

The Voice of "the People" is holding it there.

Oh colors most rare of the red, white and blue,

None others so charming, in harmony blending;

And destiny stars of a heavenly hue,

Shine out your bright beams to earth's limits extending.

'Tis the flag of the free, on the land and the sea,

Respected at home and abroad it shall be,

They aloft with "Old Glory," foes touch it who dare,

The Voice of "the People" is holding it there.

It stands forth the banner of beauty and grace,

It shields and protects high and humble that love it;

Enshrined in our hearts it shall have the first place,

And no rag of insult shall be lifted above it.

Beneath it we feel all can have a square deal,

And we pledge it to-day new devotion and zeal;

Then aloft with "Old Glory," let it float everywhere,

The votes of free people are holding it there.

It stands for the motto—the people shall rule,

It stands for the truth that exalteth a nation.

Free press and free speech—and free public school

And free worship of God, without fear or dictation.

For freedom it stands—it is safe in our hands,

'Tis the banner of hope for all less favored lands.

This day let us all new allegiance declare,

Old Glory shall hoist, we are holding it there.

—Samuel Parker.

## BILLY SUNDAY MAY FIGHT SATAN AND KAISER FROM TRENCHES

By George Martin

WASHINGTON, Sept. 14.—Billy Sunday is scheduled to fight the devil in Washington in January, but he may carry his battle against the Old Boy to the French trenches instead, it was learned to-day. Thus would the rip-roaring evangelist will two birds—Kaiserism and Satanism, with one verbal stone. Not only would he be in a position to give Auld Cloutie another bunch of his favorite solar plexus wallop, but if Kaiser Willie happened to be anywhere along the front Billy could yell a few of the shrivelling phrases he addressed to H. I. M. in New York, across the trenches.

Among Billy's favorite predictions about the Kaiser when he battled Broadway and New York last spring was the one wherein he declared that when the Kaiser died and appeared at the gates of hell the devil wouldn't let him in.

Sunday has had many invitations to go to France and preach in the trenches. He has also had many invitations to tour the draft army cantonnments in this country. So far, owing to other engagements, he has not accepted either. He is, however, considering going to France. His son George will be in Washington this month and is expected to give a definite answer as to whether his father will come here or go to the war front.

After wearing himself out one day recently telling his own Hood River, Oregon, congregation what a "plastic, rat-hole, rum-soaked, deceitful, pusillanimous cheap politician" Pontius Pilate was and how "rotten" he treated Christ, Billy turned to the question of going to France and said: "One of the hardest things I have to go up against is saying no to invitations from commanding officers of different cantonnments to address our soldiers. One of the members of General Joffre's party, when the commission was in New York city, visited me and tendered an invitation to go to France and address the soldiers. We have been thinking and deliberating over it and we don't know yet what we will do about it."

### OUR COUNTRY

"And for your country, boy, and for that flag, never dream a dream but of serving her as she bids you, even though the service carry you through a thousand hells. No matter what happens to you, no matter who flatters you or abuses you, never look at another flag, never let a night pass but you pray God to bless that flag. Remember, boy, that behind officers and government, and people even, there is the Country Herself; your Country, and that you belong to Her as you belong to your own mother. Stand by her, boy, as you would stand by your mother."—Edward E. Hale.
